“Royal Perth Yacht Club has been a second home to us and its Members a second family. There is always someone to give me a hug when I need it and have chat about life. The last 30 years of our lives have revolved around our sailing and Club activities and what a fantastic and wonderful life that has been! Having recently received my 25 year Member pin I am now determined to reach my 50th and will do everything possible to ensure our joy on the water and in the Club continues till then.”

- Helen Baker

“As a business owner and Member of Royal Perth Yacht Club, I've experienced first-hand the impact of hosting events here. At Shacks Holden, we held multiple events at the Club, each one flawlessly organised and tailored to our needs. The facilities and waterfront location make for an impressive setting, and the Club's professional team consistently delivered a memorable experience for our clients and staff. Corporate Membership at Royal Perth Yacht Club is not only an investment in the business but also in building lasting relationships in a unique and inspiring environment.”
