

ILCA STATES UPDATES

Saturday 18th November

Royal Perth Yacht Club

Three races were scheduled for this afternoons session, with one short race and two longer.

Race Management seamlessly ushered through the three races, allowing competitors to sail home with a picturesque sunset as view.

DAY ONE | ILCA STATE CHAMPIONSHIPS

A great start to the 2023 ILCA State Championships held at Royal Perth Yacht Club.

A sunny 32 degrees with around 17knots of wind meant the day was shaping up to be perfect for racing.

We had 56 boats registered for the event, with 53 out on water for Day One of the two-day regatta.

We kick off Day Two tomorrow bright and early with the first warning signal scheduled at 9:30am. We will see all competitors for the briefing at 8:15am.

ILCA STATES UPDATES

Sunday 19th November

Royal Perth Yacht Club

A sunny 31 degrees with up to 10 knots in Matilda Bay it was a trying afternoon for sailors who prefer heavier breeze similar to the first session.

We wrapped our racing at 3:30pm with sailors eager to return to the Catalina Bar for results.

DAY TWO | ILCA STATE CHAMPIONSHIPS

Day Two kicked off with an earlier start, however the wind did not arrive until a much later 12pm. This meant a delayed start for our sailors with a scheduled 9:30am start becoming an 11:30am first signal.

Open fleet managed 7 of the 8 races, and masters 5 of the 6 races in trying conditions for the Race Committee.

Thank you to all volunteers, competitors without you this event would not be possible. And a thank you to the WA Laser Class Association for hosting this years State Championships with us.
